

KLCG

Known for our innovative pastries, exceptional coffee and friendly staff, KLCG has become a hub for local communities. We are passionate and extremely proud to be offering some of the best coffee and viennoiserie in Kuala Lumpur. Our artisan bakers, baristas and chefs are the core of our business, and we are continually striving to improve upon what we do.

Our bakery production kitchen is based on site at our Ampang Park/Taman Midah location; with large windows and air-conditioning it is fully equipped to handle a large production. Our team of 9 bakers produce over 6000 hand-shaped pastries weekly, as well as sourdough bread. Because we do not sell any of our products for wholesale, we are able to have a huge focus on innovation and creativity across our range. The whole team is encouraged to have menu input and develop pastry ideas for the range, under the guidance of the kitchen management team.
